Mr. Bennett,

We have unlisted the primary residence of the Judges as per your conversation with Mr. Weinhaus last week. Attached is a spreadsheet report of what we have done. If you have any questions feel free to contact me. The information has been changed on our site, however it could take up to 15 business days for the information to drop off Google.

Thanks,

Attached is another copy of the Excel spread sheet I sent on or about April 28, 2009, and an additional Excel spread of additional judges as of May 25, 2009.

Thank you for your cooperation and assistance in this matter. Please provide me a status report as you make progress in removing the information concerning these judges.

Mr. Bennett,

We are working on the original list. If you could email me the excel sheet

t5ah you printed out in your package it would be very helpful in expediting the process. I had left you a voicemail asking for it a week ago.

Thanks,
